ADDENDUM NUMBER ONE BID E-14-19

To: All Prospective Bidders and all others concerned

From: City of Cheyenne, Purchasing Manager, TJ Barttelbort

Date: February 25, 2019

Subject: **Addendum Number One to Bid E-14-19 for One (1) New 4-Door 2019-2020 Model 3/4-Ton Quad/Crew Cab Full Size Pick-Up Truck, One (1) New Extended Cab 2019-2020 Model Mid-Sized Pick-Up Truck, And Two (2) New Four-Door 2019-2020 Model Utility Police Interceptors, for the City of Cheyenne, Cheyenne Fire & Rescue**

The changes, clarifications, omissions, additions, and/or alterations in, on, and to the bid information and specifications shall apply to the Invitation For Bid submitted for and to the project indicated above. Except as modified by this Addendum Number One, all of the terms and provisions of the Invitation for Bid for the above listed project remain in full force and effect. This Addendum Number One supersedes all previous instructions pertaining to the items listed:

Clarifications and Updates to the Bid Specifications are found below:

COMMAND VEHICLE / SUPPORT TRUCK / STAFF VEHICLES

1. All references to products supplied by the Whelen Engineering Company, shall be updated to allow for substitution of the equivalent model supplied by SoundOff Signal. The Blueprint vehicle integration system shall be acceptable in place of the CanTrol System. All items supplied shall be of equal quality and meet the same performance specifications.
 - a. This product brand substitution is to include any required brackets or hardware.
 - b. Page #10, #1, The "Whelen 54" Legacy® TRIO1 Series Super-LED® Lightbar with low profile mounts" may be substituted for the Soundoff Signal mPower Series Lightbar.

2. Any & All Dual Color Style Lights specified throughout the bid, shall be Red & White in color.
3. The specified map light for each build, Model: LF18TSB-LED / LITLITE, 18, LED ON/OFF, may be substituted for the LED map light manufactured by D & R Electronics.
4. Remove existing Radios from vehicles being traded in under this bid, and install existing radios into the new vehicles. Provide all required face plates and necessary wiring for each brand/style of radio. Radios are Motorola APX 8500 All Band HP Mobile Radio
 - a. Command Vehicle – 2 Radios
 - b. Support Truck – 1 Radio
 - c. Staff Vehicles – 1 Radio Per Vehicle
