Positive COVID-19 Cases Now at 17

CHEYENNE (3/27/20) – As of Friday, March 27, 2020 there are 17 positive COVID-19 cases in Laramie County. All positive cases are currently located in Cheyenne. These cases represent two children under 15 years of age and two individuals associated with Warren Air Force Base.

The State of Wyoming currently has a total of 70 individuals who have tested positive. A total of 17 individuals are considered recovered from COVID-19 and there are no Wyoming resident deaths associated with the virus. Due to the community transmission CDC continues to recommend social distancing, covering sneezes and coughs, frequent handwashing and staying home when sick. Information regarding COVID-19 is available throughout the area including the Cheyenne Laramie County Health Department and the City of Cheyenne websites and Facebook.
