## Positive COVID-19 Cases Now at 21

**CHEYENNE (3/30/20)** – As of Monday, March 30, 2020 there are 21 positive COVID-19 cases in Laramie County. Of the individuals testing positive 20 are in Cheyenne and one is in Burns. One of the individuals is in their mid 60's and one is 50 years old.

The State of Wyoming currently has a total of 94 individuals who have tested positive, 24 individuals are considered recovered from COVID-19 and there are no Wyoming resident deaths associated with the virus. Due to the community transmission CDC continues to recommend social distancing, covering sneezes and coughs, frequent handwashing and staying home when sick. Information regarding COVID-19 is available throughout the area including the Cheyenne Laramie County Health Department and the City of Cheyenne websites and Facebook.
