## Laramie County Businesses May Be Eligible for Personal Protective Equipment

### [PPE Request Form](#)

**CHEYENNE (5/18/20)** – The Wyoming Office of Homeland Security (WOHS) has been approved to purchase Personal Protective Equipment (PPE) for local non-medical, non-public safety businesses.

Businesses wishing to acquire PPE must place a request using the PPE Request Form located at the top of the WOHS homepage at <https://hls.wyo.gov/>. A direct link to that form is also available above. Supplies are limited, requests are not guaranteed. WOHS will be working with Cheyenne/Laramie County Emergency Management Agency to coordinated distribution of the orders.

Medical and public safety organizations will continue to request PPE through Cheyenne/Laramie County Emergency Management.
