Government Closure Due to Inclement Weather
Level 1 Closure

For Immediate Release

The Laramie County Commissioners, the Mayor of Cheyenne, and the State of Wyoming have placed the Level 1 Emergency Snow Plan into effect for Cheyenne and Laramie County.

Due to an increase in transportation issues and unsafe road conditions from the recent extreme weather event, all State of Wyoming facilities in Laramie County, the City of Cheyenne and Laramie County Government offices will be closed for business on Tuesday March 16, 2021. Non-essential employees are to remain home and shelter during this severe weather event.

The Cheyenne-Laramie County Health Department offices will also be closed, including the vaccination clinic. If you were scheduled to receive a vaccine, the department will contact you to reschedule your appointment.

Weather conditions have been determined to be unsafe for travel in Laramie County and the Cheyenne area. The Laramie County Sheriff’s Department and the City of Cheyenne Police Department have advised no unnecessary travel. Road and weather conditions remain very poor.
