

Floodplain Map

Click [here](#) to view Special Flood Hazard Areas within the City of Cheyenne

This map is based on the January 17, 2007 FIRM and the City of Cheyenne Special Flood Hazard Area Map. The City of Cheyenne recognized additional Special Flood Hazard Areas within the following urbanized storm drainage basins that are susceptible to flooding.

- Crow Creek Basin
- Dry Creek Basin
- Capitol Basin
- Holliday Basin
- East Lincolnway Basin
- Henderson Basin
- Clear Creek Basin
