Questions & Responses

Q1: Are there federals funds involved with this project?
A1: No federal funds are involved.

Q2: Are there any DBE requirements for this project?
A2: There are not DBE requirements for this project.

Q3: Can the “W” Base be either granite or alluvial aggregate?
A3: Yes.

Q4: Is the leveling course Granite aggregate or Alluvial?

A4: The leveling course can be either.

Q5: What Oil is to be used for the mix on the 2 asphalt patching items?

Q6: On the alternate paving fabric item: Is this to delete the paving grid or to substitute a different paving fabric? What would be the acceptable alternates? Can we “No Bid” this item?

A6: The alternate paving fabric would replace the Mirifi paving grid if elected by the City. Acceptable alternates for the paving grid, item 04001, must meet or exceed the properties defined in the Special Provisions section 04001, Part 2.A. Acceptable alternates for the paving fabric, item 02895, must meet or exceed the properties defined in the Special Provisions section 02895, Part 2, 2.01, B, Table A. In addition, three examples are provided in B, 1, 2 and 3.

A “No Bid” on this item is not allowed and would constitute an incomplete bid.

Q7: Will we be able to close down blocks and if so how many at a time?

A7: Please see the Special Provisions section 04000, Part 1, 1.1, A.

Q8: Thermal Plastic calls out 18"x9' and 2'x9'. Plans call out 2'x10'. Should I bid based on the bid items?

A8: Please bid these items according to the Bid Tab. The 2’x10’ is a typo.

Q9: Will there be an additional addendum and if so when might that be available?

A9: There are no plans for an additional addendum at this time.

ADDENDUM ONE ACKNOWLEDGED:

BY________________________________________________ TITLE______________________________
(Addendum must be signed and returned with bid or receipt of the addendum must be acknowledged on the Invitation to Bid).
