ADDENDUM NUMBER TWO

BID S-16-21

To: All Prospective Bidders and all others concerned

From: City of Cheyenne, Purchasing Manager, TJ Barttelbort

Date: March 25, 2021

Subject: **Addendum Number Two to Bid S-16-21 for the Cheyenne Aquatics Center Main Pool Diving Boards Removal & Replacement Project**

The changes, clarifications, omissions, additions, and/or alterations in, on, and to the bid information and specifications shall apply to the Invitation For Bid submitted for and to the project indicated above. Except as modified by this Addendum Number Two, all of the terms and provisions of the Invitation for Bid for the above listed project remain in full force and effect. This Addendum Number Two supersedes all previous instructions pertaining to the items listed:

UPDATES TO SCOPE OF WORK:

In addition to all items currently listed in the Scope of Work, the Contractor shall also complete the following:

Ensure the pad areas around the ladders and front supports be level. This shall include all existing anchors and deck, to be removed enough to provide a level pad for the front and back ends. The pads don't need to be level with each other, but the new concrete shall be blended into existing deck for a smooth transition and to promote drainage to the floor drain on the deck, and to minimize tripping hazards. Pads shall be installed level to ensure minimal shimming is required for installation of the new diving boards.

The new anchors for cast in place shall be threaded bronze castings part # 905- 1M/3M- 8 Bronze anchor set (Eight anchors with setting bolts, for each diving board). By removing the deck in the front support areas, existing rebar in the deck should be evident and bonding to that can be accomplished.
