

Agenda

1. Roll Call

2. Approval of October 2025 Minutes

3. Introduction of Dustin Humphreys, City Engineer's Office

4. Goal Check-In

Guiding Statement for Goals: The goals of the Active Transportation Advisory Committee are to improve walking transportation, improve multi-use infrastructure, improve education and demonstration opportunities, advocate for bike/pedestrian policies, and improve safety.

Goal 1: Identify top 10 gaps or connections in Cheyenne's bicycle and pedestrian network (including missing bike lanes, missing sidewalks, crosswalks, etc.).

Timeline: Final vote on Top 10 by December

Lead: David – Update on GIS Map

Goal 2: Identify constraints and potential solutions for the gaps in Goal 1.

Timeline: Finished by February (address after Goal 1 completed)

Goal 3: Hold a work session with City Council and schedule opportunities for walking and biking tours.

Timeline: Work session Spring 2026; Walking Tours in late April or early May

ATAC members to share schedules

Goal 4: Host one event by next spring focusing on education and encouragement.

Timeline: Develop a schedule by January 2026; Event by late spring
