Feb 2026 Meeting Minutes:

- Looking to make a Facebook page for CTAC.
- Posting videos to PIO on city team. Looking for more engagement
- Previously posted on linkedin.
- Suggests Dan run a session on economy of Wyoming and what needs to go on in the future.
- Other suggestions for upcoming topics (45 min):
 - Drones in Cheyenne
 - Legislative budget session in now - budget..?
 - Perhaps set up some smaller talks, 1-2 people from our group (15-25 min short talks)
 - Protections on your kids phones.
 - Schools banning phones
 - Kids on social media
 - Short training videos on how to use AI for daily tasks. (shorts even?)
- - Share these via telegram? (Matt's suggestion)
- - Suggesting that members of the group can self-organize and set up short recording of such topics. And release on Facebook, telegram, etc.
- - Looking to be an authoritative information dissemination platform. To help people be more aware around the state.
- - Question on format for the short videos. Any ideas? Even YouTube short format (<60 sec)
- - Once viewership builds, perhaps have in person town hall meetings to get input from
- Community.
- Ideally start with topics that are less divisive (AI, Phones in schools), training
