## Budget Message

To the Members of the Cheyenne City Council,

I am pleased to present the City of Cheyenne's FY2013 proposed budget (budget). This document will serve as an operating guide throughout the budget process. The final adopted budget for the City will serve as a management tool for City functions for the fiscal year from July 1, 2012 through June 30, 2013.

## INTRODUCTION

The budget was prepared to comply with Wyoming State Statute that requires the City to provide a budget to the governing body by May 15. The attached budget has been prepared after input from department staff and support agencies, and represents a balanced budget with no proposed use of general fund reserves. The total General Fund budget as proposed for FY2013 is $\$ 49,560,879$ compared to $\$ 50,473,830$ for the original budget of FY2012, a $1.8 \%$ decrease.

## SUMMARY OVERVIEW

This budget represents a conservative approach for FY2013 revenues and expenditures. During meetings with department staff and support agencies, a concerted effort has been made to keep proposed expenditures in line with actual anticipated costs. Requests for additional costs to provide new and expanded services have generally not been proposed.

A challenge in the FY2013 budget was the loss of approximately $\$ 1.1$ million from the State of Wyoming as a direct distribution. In addition to the reduced amount expected to be received from the State, the 2012 Budget Session of the Wyoming Legislature added language that limited the use of the direct distribution, specifically, "the funds are not to be used for recurring expenditures such as salary adjustments, additional personnel or payment of recurring expenses such as utilities". In addition, during FY2012, the governing body determined, by resolution, that it was necessary to increase the funding into the Solid Waste Fund by approximately $\$ 775,000$ to provide funds for the future expansion of the Happy Jack Landfill. This transfer, in effect, reduced the revenues of the General Fund by \$775,000.

On the other side, anticipated expenses continue to rise for the City including, but not limited to, increased costs for fuel, utilities, insurance and health insurance for employees. To compensate for these increases, each department has been asked to do more with less, i.e. line items for operational costs have been reduced to the bare minimum necessary to perform the functions of each department. It is necessary to recognize each Department and Division Director who has responded above and beyond my directive to keep costs down.

## Budget Message

In order to balance the budget beyond the reduction in expenditures where possible, I have determined that revenue projections in some areas such as sales tax and building permits will continue to increase in FY2013 as they have in FY2012. The local economy appears to have stabilized and although the development of the oil play in Laramie County has slowed, we anticipate that sales tax revenues will continue to increase during the next fiscal year.

## BUDGET PRESENTATION

The budget is presented in sections by fund. Please see the Table of Contents for details and page numbers.

The General Fund Revenue is presented in summary form beginning on Page 19, and General Fund Expenditures are presented by Department/Division including individual line items beginning on Page 39.

## CONCLUSION

As noted previously, Department Directors have responded to the challenges and responsibilities facing their respective Departments. I look forward to discussions with the City Council on the proposed budget.

Sincerely,

Richard L. Kaysen, Mayor

## Cheyenne at a Glance

The City of Cheyenne is an active economic, cultural and political center for the northern plains and is the capital of the State of Wyoming. It is located at the intersection of Interstates 25 and 80 in southeast Wyoming. It has an area of 19.7 square miles and a population of 59,466 as of the 2010 Census, making it the largest city in the State of Wyoming.

The City of Cheyenne had its beginning in 1867, when the Union Pacific Railroad came through on its way to the west coast. Settlement came so fast that the nickname "Magic City of the Plains" was adopted. The City operates under the Mayor-Council form of government. The Mayor is elected at large and on a non-partisan basis for a four-year term. The City is divided into three wards and three councilpersons are elected from each ward also on a non-partisan basis for a four-year term.

The City of Cheyenne provides a full range of services, including police and fire protection; the construction and maintenance of streets and other infrastructure; recreational activities and cultural events; sanitation services; and health and welfare programs. Water and sewer services are provided through a separate Board of Public Utilities which functions, in essence, as a fund of the City of Cheyenne. The Board prepares its own budget with a resolution approved by their Board of Directors. The Board's detailed budget information is not included in this document, but will be included in the appropriation of the budget for the City of Cheyenne when approved by the governing body of the City.

## Cheyenne City Council

## Budget Process

The City of Cheyenne's Annual Budget is adopted on a basis consistent with generally accepted accounting principles for all governmental funds. All annual appropriations lapse at fiscal year end.

The annual budget serves as the foundation for the City's financial planning and control. All departments of the City of Cheyenne are required to submit requests for appropriation to the City Treasurer on or before May 1 of each year. The Treasurer must prepare a tentative budget for each fund and file it with the governing body no later than May 15 of each year. A public hearing for the City's budget is scheduled not prior to the second Tuesday nor later than the third Tuesday in June and is held at a time of day chosen by the governing body. Within 24 hours of the public hearing, the governing body must, by ordinance, make the necessary appropriations and adopt the budget which, subject to future amendment, is in effect for the next fiscal year. The budget process is in compliance with Wyoming Statute §16-4-104.

At the request of the City Treasurer or upon its own motion after publication of notice, the governing body may by resolution transfer any unencumbered or unexpended appropriation balance or part thereof from one fund, department or account to another. No officer or employee of the City shall make any expenditure or encumbrance in excess of the total appropriation for any department. Management may amend the budget within the department level without the approval of the governing body.

## Fund Overview

The City's governmental functions and accounting system are organized, controlled and operated on a fund basis. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. Each fund has its own set of self-balancing accounts which are comprised of its assets, liabilities, fund equity, revenues and expenditures.

The City of Cheyenne FY2013 budget contains 19 separate funds which account for the City's services including public safety, general government administration, public works, parks and recreation and health and welfare.

## GENERAL FUND

The General Fund is the City's primary operating fund. It is used to account for all revenue sources and expenditures which are not required to be accounted for in other funds. Revenues accounted for in the General Fund are derived primarily from taxes, federal and state distributions and charges for goods and services. Expenditures include all major functions of the City in addition to allocations to support agencies.

## SPECIAL REVENUE FUNDS

These funds are used to account for the proceeds of specific revenue sources such as taxes, governmental grants or other revenue sources that are legally restricted and designed to finance particular functions or activities of the City. The City has the following 12 Special Revenue Funds:

- Weed and Pest Control - accounts for monies received by the City from a general county tax levy to administer a program of weed and pest control.
- Youth Alternatives Grants - accounts for monies received by the City from various agencies to administer a program for youth.
- Community Facility Fees - accounts for community facility fees received by the City to be used for park development and infrastructure costs.
- Recreation Programs - accounts for monies received by the City from special recreational programs to administer those activities.
- Community Development Block Grant (CDBG) - accounts for funds received from the U.S. Department of Housing and Urban Development which are then awarded to various entities to assist low income individuals.
- $1 \%$ Sales Tax - accounts for revenue received from an optional sales tax approved for a four-year period by voters effective January 1, 2011, to be used primarily for capital projects.
- Solid Waste Management - accounts for the operation and maintenance of the City's landfill as mandated by federal and state regulations and is also used to accumulate funds for the closure and post-closure costs of the landfill.
- Law Enforcement Grants - accounts for federal, state and local grants received by the police department to administer various programs.

## Fund Overview

- Transportation Planning - accounts for funds received from the Wyoming Department of Transportation with local match dollars from the City and Laramie County to be used for planning of streets and other transportation planning projects.
- Federal Transit Authority (FTA) Transit Grant - accounts for funds used to provide public transportation, the majority of which are received directly from the U.S. Department of Transportation.
- Juvenile Justice - accounts for a program which assists youth in trouble with resources received from various grants.
- Special Friends - accounts for a program which brings adults together with young people, funded by grants and donations.

## CAPITAL PROJECT FUNDS

The Capital Project Funds account for financial resources to be used for the acquisition, construction or renovation of capital facilities or other equipment that ultimately become City fixed assets. The City has the following three Capital Project Funds:

- Special Purpose Option Tax - accounts for major projects financed through a special voter approved capital facilities sales tax.
- Youth Activities - accounts for construction of Youth Alternatives projects with funds received from the Ropes Course and Youth Alternatives 40/40 initiative.
- Golf Facilities - accounts for improvements to City golf facilities funded with a portion of revenues received from golf annual memberships.

## ENTERPRISE FUNDS

Enterprise funds are used to account for services that are primarily self-supporting, receiving most of their revenues through user fees or charges. The City's two Enterprise Funds are:

- Civic Center - provides a location for concerts and other shows.
- Ice and Events Center - provides activities at the Center including ice hockey, concerts, indoor football, miniature golf and other public events.

## PERMANENT FUND

Permanent Funds are used to report resources that are legally restricted to the extent that only earnings, not principal, may be used for purposes that support the reporting government's programs.

- Cemetery Perpetual Care - this trust fund was set up for the perpetual care of Cheyenne cemeteries. Four hundred dollars is put into the fund each time a cemetery space is purchased.

## Major Budget Assumptions and Determinations

- Sanitation charges will increase by 4.1\%, the Consumer Price Index (CPI) adjustment, as of July 1, 2012.
- Health insurance costs were estimated to increase by $10 \%$ as of January 1, 2013. In the final adopted budget, this increase was transferred to a line item for economic development.
- Dental insurance costs will increase 3.25\% on July 1, 2012.
- Cheyenne Light, Fuel and Power costs are estimated to increase by 6\% during fiscal year 2013.
- The count of full-time Police Officers will remain at 105 authorized positions. Currently, 7 of these positions are unfilled; however, it is anticipated that these positions may be filled by June 30, 2012. Therefore, the overtime budget has been reduced to $\$ 160,000$. If a position remains unfilled during fiscal year 2013, the amounts budgeted for positions can be used for overtime costs that would be incurred.
- The budget reflects the costs as negotiated in the Collective Labor Agreement between the City and Cheyenne Firefighters Local Union No. 279, International Association of Firefighters.
- The final payment to the Board of Public Utilities on the Stage II Water Project will be made through a project funded by State Loan and Investment Board Consensus Funds during fiscal year 2013.
- Fuel costs in Fleet Maintenance were computed using a per gallon price of $\$ 3.60$ for unleaded fuel and $\$ 4.06$ for diesel fuel.
- Insurance costs to the Wyoming Association of Risk Management will increase by $24 \%$ for the Liability Pool and 52\% for the Property Pool.
- During fiscal year 2012, the Small Equipment Shop was moved from the Public Works Fleet Maintenance Division to the Parks and Recreation Administration Division. The proposed fiscal year 2013 budget reflects a full year of activity in the Parks and Recreation Department budget.
- Employee training and development will continue, but at a lesser level to include certifications, required continuing education and licenses.
- The Civic Center and Ice and Events Center will remain as enterprise funds.
- There are no fee increases for parks and recreation charges, city clerk fees, police department charges or building department fees and charges.
- The City will continue to address American Disabilities Act compliance.
- Although the City's costs continue to rise for professional services, materials, office supplies and more, the proposed budget does not include a consumer price index percentage increase.
- There are no major capital purchases included in the proposed budget for the General Fund.
- The Cheyenne community will experience an approximate $1 \%$ population growth rate.
- There are no increases to employee wage compensation or benefits.
- There are no new positions requested in the proposed budget.
- Support agencies were cut by approximately $2 \%$ under prior year budget or current year requests.

Wyoming Statutes $\S 16-4-104$ (b) and (c) require that the proposed budget set forth the (i) actual revenues and expenditures in the last completed budget year (2011 Actuals); (ii) estimated revenues and expenditures for the current budget year (2012 Projected Actuals) and (iii) the estimated available revenues and expenditures for the ensuing budget year (2013 Proposed Budget). In addition, the Statute requires the budget to include the difference from the previous budget year for each source.

## General Fund Revenues

## Where Does the Money Come From?

The City of Cheyenne receives revenues from various sources which must be spent efficiently to provide services to residents and businesses. Below is a breakdown of the sources and percentages of revenue included in the fiscal year 2013 budget.

- Taxes and Special Assessments - franchise fees, property and vehicle taxes
- Licenses and Permits - building permits and various business licenses
- Intergovernmental - sales taxes, mineral royalties, severance taxes and other revenue from governmental entities
- Charges for Services - sanitation, recreation, parking and other miscellaneous charges for services
- Fines and Forfeitures - fines from parking and other municipal code violations
- Miscellaneous, Grants, Transfers and Interest - miscellaneous charges, police grants for school district services, and other miscellaneous revenues

## Taxes and Special Assessments

| TOTAL | \$9,152,956 | \$9,971,869 | \$9,432,787 | \$9,610,900 | \$10,091,041 |

## FRANCHISEFES

Franchise fees are set by contracts with various utility, cable TV and telecommunication companies and are based on a percentage (from $1 \%$ to 5\%) of sales. Also included in this account are various contracts with telecommunication companies for the use of right-of-way properties of the City and these are a predetermined amount set by contract. Franchise fees account for approximately $9 \%$ of total general fund revenues.

Cheyenne Light, Fuel and Power franchise fees are projected to end above budget for fiscal year 2012. According to information received in December, 2011, the utility has filed for a $6 \%$ increase during the next fiscal year so the projection for fiscal year 2013 is $6 \%$ above the budget for fiscal year 2012. Telecommunication franchises and right-of-way revenues are expected to increase based on additional contracts that were signed during the current fiscal year. Cable TV franchises have remained relatively stable recently so the budget has been reduced to reflect what is projected to be the fiscal year 2012 revenue.

## PROPERTY AND VEHICLE TAXES

Property and vehicle taxes combine to represent approximately $11 \%$ of the general fund revenues.

Property taxes are based on property value assessments set by the Laramie County Assessor. The assessment value for 2012 (which will be collected from taxpayers during the fiscal year ended June 30, 2013) has not been set as of the preparation of this budget. However, based on an analysis of property values and new property developments coming onto the tax rolls, it is expected that the assessed value will increase by 3\% for 2012.

Vehicle taxes are collected by the Laramie County Treasurer and are remitted to the City. For fiscal year 2012, taxes collected are ahead of projections by approximately $8 \%$. In addition, it is anticipated that additional taxes will be collected during fiscal year 2013 due to an expected increase in vehicle sales subsequent to the reduction in the sales tax rate for Laramie County effective April 1, 2012. The estimated increase over projected 2012 revenue is $3 \%$.

License and permit revenue accounts for approximately 4\% of general fund revenues.

## LICENSES

Each license type has stable pricing or fees, with revenue only generally increasing with volume. With volume being limited either by market demand or by state law (liquor licenses) the room for growth in license revenue is generally constrained.

## PERMITS

Permit revenue collected through March 31, 2012 is $\$ 1,828,614$. The increase over prior years and over budget is due to a major hailstorm that took place in Cheyenne in July of 2011. The City has experienced an increase in roofing permits due to the storm. The City expects to see additional hail related permits collected during fiscal year 2013, but not at the level of fiscal year 2012. As with license revenue, permits are limited by market demand as the fees charged are fixed.

## Intergovernmental

|  | $2009$ <br> Actuals | 2010 <br> Actuals | 2011 <br> Actuals | $2012$ <br> Amended Budget | 2013 <br> Proposed <br> Budget |

## STATE SALES TAX

The major source of intergovernmental revenue is the City's share of the state sales tax collected by the State of Wyoming. This revenue accounts for approximately $27 \%$ of the general fund revenue. Wyoming Statute §39-15-111 governs the distribution process for state sales tax (rate of 4\%). Of the amount collected, $69 \%$ of the tax is credited to the State's general fund. Of the remaining $31 \%$, the State is allowed to deduct $1 \%$ as an administrative fee. From the remaining balance, the City receives the portion of sales tax attributable to vendors located within the City limits.

Sales tax has been growing since the downturn that occurred in fiscal year 2010. For fiscal year 2012, projections show the City will collect approximately $10 \%$ over collections for fiscal year 2011. For fiscal year 2013, a $3.5 \%$ increase over the fiscal 2012 budget has been computed. The Wyoming Association of Municipalities has also assisted in the computation of projected sales tax and shows the City of Cheyenne with a $12.1 \%$ estimated growth in fiscal year 2012 compared to fiscal year 2011 and also shows a baseline trend using data from 2002-2011 of 2.7\%.

## FUELTAX

Fuel tax consists of the City's share of the state tax on gas and diesel (special fuels) sales. The State of Wyoming imposes a tax of $\$ 0.13$ per gallon on gas and diesel subject to certain exemptions and exclusions. Of the total tax collected on gas, $15 \%$ of the tax (after deduction for a contribution to the University Technology Transfer Program) is distributed to cities and towns in Wyoming based on a combination of location of the dealers and a ratio of the population of the cities and towns.

## Intergovernmental

## FUELTAX (continued)

Of the total tax collected on diesel fuel, $5 \%$ is distributed to cities and towns based on a ratio of total population of the municipality to the total population of all municipalities within the state. This tax is shown on the budget as Special Fuel Tax. The fuel tax projections are provided to the City by the Wyoming Association of Municipalities based on information obtained from the Wyoming Department of Transportation and are compared to historical averages to determine the projection for fiscal year 2013.

## CIGARETTE TAX

Cigarette tax is governed by Wyoming Statute $\S 39-18-111$. Of the taxes collected ( $\$ .006$ per cigarette), and after deductions for fees, approximately $75 \%$ is distributed to local governments (including counties) in the proportion the taxes derived from sales within each entity bears to total cigarette taxes collected. The projection of cigarette taxes to be collected by the City for fiscal year 2013 is provided by the Wyoming Association of Municipalities based on information provided by the Wyoming Department of Revenue in addition to comparisons with prior years.

## MINERAL ROYALTIES

Mineral royalties are also set by state statute and the total distributed to cities and towns is $\$ 18,562,500$ for fiscal year 2013. After a base amount, the total is distributed to municipalities based on the Average Daily Membership of students in each municipality. The City of Cheyenne's share of royalties is projected to be $\$ 2,669,456$ in fiscal year 2013.

## MINERAL SEVERANCE TAX

Mineral severance taxes are set by state statute. The total amount "under the cap" that is distributed to cities and towns is $9.25 \%$ of a maximum cap of $\$ 155,000,000$ for the State. This amount $(\$ 14,337,500)$ is distributed to cities and towns based on pro rata population. The total municipal population of the State in the 2010 census is 384,960 of which 59,466 live in the City of Cheyenne. This represents approximately $15 \%$ of the total or $\$ 2,214,759$ of severance taxes for fiscal year 2013.

## SPECIAL DISTRIBUTION

The Special Distribution from the State is the City's share of "over the cap" funding that is appropriated by the Wyoming State Legislature. The City received $\$ 3,921,486$ from the State in fiscal year 2011. The State added an additional supplemental appropriation to the City in the 2011 general session of \$1,130,154 for fiscal year 2012. During the 2012 budget session, the State allocated $\$ 3,974,969$ to the City. The Legislature and Governor added language to the budget appropriation that this allocation was to be used for "one-time needs or for equipment or other purchases of limited duration".

## TOTAL

## Charges for Services

Charges for services include revenue that the City collects for providing sanitation, parking and recreational services to the public. The rates for most charges are determined by ordinance of the governing body.

## SANITATION REVENUES

The largest of these is for sanitation charges. The City is allowed to increase sanitation charges by ordinance based on the Southeast Wyoming Consumer Price Index (CPI) for the fourth quarter of the previous calendar year. The CPI adjustment for the fourth quarter of 2011 is $4.1 \%$ and that percentage plus additions due to expected growth of customers and use has been used to calculate the proposed revenues for fiscal year 2013.

## PARKING REVENUES

Parking revenues are charged to governmental agencies, private businesses and individuals for the use of the City's three parking facilities. The proposed revenue has been projected based on the spaces available and contracted amounts.

## RECREATION CHARGES

Charges are for all activities of the Recreation Department except for miscellaneous activities that are accounted for in the Recreation Programs Fund and the Golf Facilities Fund. Estimates for fiscal year 2013 have been based on a history of the revenues collected.

## INTRA CITY CHARGES

Intra city charges are those that are charged to other funds of the City (including Transit and the Board of Public Utilities) for use of Fleet Maintenance costs including fuel, parts and maintenance. In addition, the cost allocation charge is the cost of human resources, finance, information technology and facilities that is allocated to other funds.

## Interest, Fines and Forfeits

## FINES AND FORFEITS

Parking Fines
Court Fines
Court Bonds
Police Fines from Weekenders

## FINES AND FORFEITS

Fines and forfeits are amounts charged by the Municipal Court for violations of parking and other City ordinances. If amounts are paid prior to disposition of the court case, the revenue is considered court bonds revenue. If the amounts are paid after the disposition of the court case, they are considered court fines. The amount estimated for fiscal year 2013 has been determined by an average of the previous four years of activity.

## INTEREST REVENUE

Investment income of the City is the amount that is earned on deposits of the General Fund. These deposits are in the State's Investment Pool (Wyo-Star), in an investment account with Multi-Bank Securities and in a bank sweep account (similiar to a money market). The amount shown for fiscal year 2013 is based on the projection of fiscal year 2012 revenues.

## MISCELLANEOUS REVENUE

Miscellaneous revenue consists of amounts collected by the City for various rentals and other fees that are not accounted for elsewhere. The estimates of revenue for fiscal year 2013 have been determined through averages with prior years including history from 2006-2011, estimated fiscal year 2012 revenue and through discussion with various department personnel.

## Where Does the Money Go?

Once the City collects taxes and other revenues, the monies must be spent efficiently to provide services to the residents and businesses of the City of Cheyenne. As this section will further detail, the City provides a variety of services to its residents and businesses. To provide those services, the City has included the following Departments in the General Fund FY2013 Budget:

## - City Council

- Mayor - Mayor, City Attorney, Human Resources, Youth Alternatives and Municipal Court
- City Clerk - City Clerk, Information Technology, Risk Management and Parking/Special Projects
- Public Works - Public Works Administration, Traffic Operations, Facilities Maintenance, Fleet Maintenance, Street \& Alley and Sanitation
- Police - Police Administration and Patrol
- Fire and Rescue - Fire Administration, Training, Prevention, Education, Suppression, Hazardous Materials, Ropes Rescue and Emergency Medical Services (EMS)
- Parks and Recreation - Parks and Recreation Administration, Forestry, Aquatics, Recreation, Recreation Buildings, Kiwanis Community House, Golf Courses, Parks, Cemetery and Botanic Gardens
- City Treasurer - Budget/Finance and Purchasing
- City Engineer - Engineering
- Planning Services - Building and Planning/Development
- General Accounts
- Support Services - Economic Development, City-County Support and Community Services Support

FY2013 Budget by Function

|  |  |  |  |  |  |

1) Amended Fiscal Year 2012 Budget as of March 31, 2012 as shown on the attached schedules
2) Increase (decrease) from Original Budget for Fiscal Year 2012

## EXPLANATION OF MAJOR INCREASES (DECREASES)

- City Council - Reduction in amount budgeted for professional services which haven't been expended in recent years and for Ward Contingency funds that are not in proposed budget.
- Police - Reduced the amount to be expended for overtime/staffing as a result of current hiring process, and for reduced amounts expected for Juvenile Detention and Combined Communication Center costs.
- Parks and Recreation - Increase due to transfer of Small Equipment Fleet Maintenance Shop from Public Works budget to Parks and Recreation budget.
- City Treasurer - Reduced for amounts that had been budgeted in the prior year for the cost of retirement of prior City Treasurer.
- Miscellaneous - Reduced by amount budgeted in the prior year for the Stage II Water Project payment to the Board of Public Utilities.

## 2012 HIGHLIGHTS

- Managed the general fund budget resulting in revenues deposited in the general fund reserve
- Received an unqualified audit for fiscal year 2011
- Oversaw the development and adoption of the Unified Development Code resulting in the consolidation of three separate sets of codes
- Awarded an investment grade rating of " A " for bond financing during economic uncertainties
- Active participation in legislative matters at both state and federal government levels
- Oversaw the construction, reconstruction, maintenance and operations of City assets including facilities and streets

## 2013 OBJECTIVES

- Continued focus on safety, health and welfare, and be accountable to the residents and businesses of the Cheyenne community
- Manage the City's resources in a fiscally responsible manner with a focus on the financial health of the City
- Continue to put customer service in the City of Cheyenne name
- Focus on quality growth and development, and downtown Cheyenne revitalization
- Oversee the maintenance and operations of the City's infrastructure including roadways, facilities, and major equipment
- Continue to improve the City's relationship with state government elected and appointed officials, and the military community partners

## 2012 HIGHLIGHTS

- Electronic business licensing sign-offs for application reviews and site inspections
- Software utilization to electronically index, track, search and retrieve records
- Numerous network equipment/software/server upgrades; mobile device support; firewall and back-up software upgrades; installed/upgraded software for various departments
- Multi-department photocopiers with scanning and Internet eFax system
- Partnered with Wyoming Association of Risk Management to implement WARM Online Training Center, and training registration process
- Redesign of Depot Plaza lighting (in progress) to reduce past problems; reduce significant repair costs

## 2013 OBJECTIVES

- Conversion of cemetery complex records into new software program
- Continue conversion of software programs/data into web-based software or non-mainframe environment; upgrade network connectivity; optic fiber backhaul upgrade (Municipal Building)
- Possible VoIP/digital phone system implementation
- Review and identify, with WARM staff assistance, trends in liability exposure, employee safety and property damage incidents to target additional specific training needs
- Create sponsorship package for new large scale Plaza events

## 2012 HIGHLIGHTS

- Acquired one new truck/sander/plow and a patch truck for Street \& Alley
- Responded to over 1,800 work orders received through the Request Partner system
- Did major work on Westland Road and Ames Underpass
- Replaced air handling units in the Boys \& Girls Club facility and Fleet Maintenance
- Completed energy saving projects in the Municipal Building, Civic Center, Fire Station \#1, Police Department, Fleet Maintenance, Lube Shop, Logan Shop, Street \& Alley Shop and Cemetery Shop.
- Replaced underground tanks at Sanitation, Cemetery Shop and Lube Shop
- Added several employees to Solid Waste/Sanitation lost due to early retirement and RIFs, but continued to struggle with personnel shortages. Sanitation continues to identify areas where they can reduce services and costs with minimal impact to residents
- Completed and put into use the Transit Program's ARRA funded bus shelters. Over 175 designated boarding areas allowed CTP to offer over 256,000 rides last fiscal year
- Established a Fleet Management Policy Committee with representatives from all City departments

## 2013 OBJECTIVES

- Identify funding for both the expansion of the Transfer Station to include a baler/bagger system and funds to expand the Happy Jack Landfill
- Select an engineering consultant and begin the design and permitting of the expansion to the Happy Jack Landfill
- Utilize SLIB Consensus funds to replace a large portion of the Municipal Building and Civic Center roofs
- Develop a new elevator maintenance contract, which will consolidate all facilities into one contract
- SLIB funds matched by $1 \%$ funds will enable the replacement of traffic signals at Ridge Road and Dell Range as well as Ridge Road and Pershing Blvd.
- Evaluate transit routes and explore future services to Lowes Distribution Center, the new Wal-Mart store and the Wal-Mart Distribution Center
- Continue the development of a City-wide Fleet Management Policy

## 2012 HIGHLIGHTS

- Hosted 33 neighborhood night out parties, 12 citizen/school seminars, five citizen police academies and online crime mapping
- Switched to a split squad concept to establish staffing levels consistent with call load, which totaled 62,314 calls for service in 2011
- Established DUI Taskforce, DEA Taskforce, Gang (CAGE) Unit and Party Posse (alcohol compliance)
- Achieved $16 \%$ reduction in crime from 2009
- Solved $61 \%$ of the 1,055 cases assigned in 2011 as compared to $34 \%$ of the 1,016 cases assigned in 2009

## 2013 OBJECTIVES

- Update technology to improve efficiency including replacement of vehicle computers and camera systems, implement online reporting, implement efficient alarm coordination and utilize social media/ texting to solve crime
- Educate voters on the need for the Cheyenne Public Safety Center and if approved, appoint a project supervisor to coordinate the planning and construction in the most efficient and cost effective manner
- Maintain a Patrol response time of less than four minutes for emergency calls. Currently, CPD has 105 authorized police officers, which corresponds to 1.7 officers per 1,000 residents (national average is 2.3 per 1,000 residents). If the Department reduces staffing due to the inability to retain, recruit or fund positions, a priority will be given to Patrol staffing, causing service impacts such as reducing ability to investigate property/misdemeanor crimes, neighborhood drug investigations and traffic enforcement

## 2012 HIGHLIGHTS

- Cheyenne Fire and Rescue obtained funding and purchased three Automatic External Defibrillators, two new vehicles for the Prevention Division, T-N-T Extrication equipment for Fire Station \#2 and upgraded the Self Contained Breathing Apparatus personal alert systems.
- Insurance Services Organization (ISO) completed its survey of fire protection and water supply for the City of Cheyenne and awarded a continuation of class $3 / 9$ designation.
- Three personnel completed the year long paramedic course at Laramie County Community College and six personnel graduated from the Front Range Fire Consortium Fire Academy with a City Firefighter as the top academic recruit as well as top overall recruit.
- Cheyenne Fire and Rescue hosted the Round Up Your Knowledge Conference with sixty fire safety personnel from the Rocky Mountain area and instructors from all around the United States hosted an event in remembrance of September 11, 2001.

## 2013 OBJECTIVES

- Obtain funding to purchase a new 100 foot aerial/platform fire apparatus, and place the current 2001 aerial in a reserve status, allowing the City to retire the 1991 Seagraves 100 foot aerial apparatus
- Obtain funding and do major repair and maintenance on Station \#6 and Station \#2
- Develop a plan for the Swan Ranch Annexation and the eventual manning of Station \#4
- Pursue funding to replace Station \#5 and develop blueprints that will be a footprint for future stations

## 2012 HIGHLIGHTS

- Added 1.25 miles to the Greenway, Norris Viaduct to Hot Springs, College Drive Underpass, Arp Elementary pathway, Saddle Ridge Park for a total of 31.5 Greenway miles
- Added $1 / 2$ mile of sanitary sewer at Prairie View golf course and hosted over 57,500 golfers
- Installed new ballfield lights and synthetic turf at Pioneer Park ball field and renovated Holliday Park basketball courts/lighting/art piece
- Contracted with Junior A Hockey "Stampede" and "Warriors" arena football teams
- Botanic Gardens hosted over 77,000 visitors and provided over 140 youth and adult educational programs, logged over 6,000 volunteer hours, and planted over 50,000 bedding plants for City beautification
- Forestry implemented Pine Beetle education and spraying programs and received 30 year Tree City USA award
- Cemetery completed a comprehensive survey of available gravesite assets within City-owned cemeteries

## 2013 OBJECTIVES

- Construct Greenway Holliday Park connector, Walterscheid Underpass, and Polk Avenue $1 / 4$ mile connector
- Complete Phase I Lions Park remediation plan
- Replace restrooms at Holliday and Mylar Parks and construct restroom at Romero Park
- Remediate Lake Minnehaha at Holliday Park
- Complete concession/restroom building and parking lot improvements at Pioneer Park
- Renovate Converse Ballfield into Blue Ribbon field for Girls Softball
- Renovate/Expand Botanic Gardens Greenhouse and parking

## 2012 HIGHLIGHTS

- Completed the full implementation of software for Cash Receipts and Payroll to integrate with existing software for Financials and Community Development
- Implemented a program to accept credit cards for payment of City charges in all departments
- Transitioned personnel after retirement of former City Treasurer
- Revised budget document to an easier-to-read format
- Obtained a "clean" audit opinion on the fiscal year 2011 financial statements

## 2013 OBJECTIVES

- Complete the implementation of remaining modules of software including Fleet Maintenance/Work Orders and Accounts Receivable billing
- Continue to work on revising monthly budget reports to provide more timely and usable information for all Departments, Administration and governing body
- Develop timetables to track billings to customers of the City to increase cash flow and timeliness of payments and also to reduce bad debt charges
- Implement process to take payments for City charges online.

## 2012 HIGHLIGHTS

- Managed major City reconstruction projects including East and West Pershing, Westland Road, and Ames Underpass
- Managed the 1\% Optional Tax street and drainage rehabilitation projects including 2011 and 2012 overlay programs, intersection and inlet repairs
- Complied with MS4 water quality permit to Wyoming Department of Environmental Quality (WYDEQ) with management plan and reporting
- Coordinated with WYDEQ toward Crow Creek TMDL
- Developed new City stormwater management regulations
- Reviewed Development actions for engineering traffic and drainage requirements

## 2013 OBJECTIVES

- Completion of on-going projects including Pershing/Converse Roundabout
- Initiate design and preparation of plans for future reconstruction and rehabilitation projects including Snyder Avenue and overlay programs
- With Specific Purpose Option Tax funding, initiate Capitol Basin Stormwater Management Project.
- Codify new City stormwater management regulations
- With County Emergency Management, develop and gain approval from Homeland Security for a new All-Hazards Mitigation Plan
- Initiate compliance with Crow Creek TMDL through WYDEQ
- Complete new signal installations and amend signal timing plans
- Review of development actions for engineering traffic and drainage requirements integrating new Unified Development Code and Innoprise processes

| Planning Services Summary | \$1,832,240 | \$1,661,878 | \$1,621,978 | \$1,909,906 | \$1,837,639 |

## 2012 HIGHLIGHTS

- Provided plan review, permitting and inspection services to a record number of residents, including a $239 \%$ increase in permit applications to 6,700 , issued 4,154 contractor licenses and managed influx of activity related to two hail storms including 4,800 roofing permits, an increase from 2010's levels of 1,184.
- Entitled nearly half a billion dollars in commercial projects, including the Cheyenne Regional Medical Center expansion, several retail expansions like Menard's and Walmart and the $\$ 250$ million Cheyenne Light, Fuel and Power Cheyenne Prairie Generating Station
- Facilitated the completion and adoption of the Unified Development Code (UDC), implementing the goals of PlanCheyenne
- Completed the conversion to Innoprise for Community Development projects, which facilitates greater online access to information by the public
- Increased efforts related to improving Downtown through various grants, including helping with the streetscape grant at the Dinneen project, the Downtown Placemaking project and Historic Building Codes Workshop paid for by State Historic Preservation Office
- Completed the Development Agreement with Granite Peak for the Swan Ranch property, resulting in an annexation agreement facilitating future City growth and open space purchase of over 400 acres
- Received and began implementing a $\$ 1$ million U.S. Environmental Protection Agency Brownfield Assessment Grant

## 2013 OBJECTIVES

- Facilitate the adoption of the 2012 International Building Codes
- Transition from old codes to the UDC and improve online public access to information regarding current development proposals
- Improve the vitality of Downtown and successfully assisting in the completion of the PlanCheyenne Update
